## AFRICAN ARTIFACT NOTES

**NOTES – describe the artifact.** Write the source where you found the information for each question (example: “Book 1”)

1. **What** does the artifact look like: How big is it? What would it feel like to the touch? Create a list of adjectives that describe the appearance of the artifact. (example: smooth, silky, etc)

---

---

---

SOURCE(S):

---

2. **What** materials and/or methods were used to construct the artifact? (Special tools? Special process?)

---

---

---

SOURCE(S):

---

3. **When** was the artifact created? How do historians know how old it is? Is it still being used?

---

---

SOURCE(S):

---

4. **Where** was the artifact discovered? **Where** was it used?

---

---

SOURCE(S):

---

5. **Who** created the artifact? **Who** used the artifact? Is it associated with a specific job or social class?

---

---

SOURCE(S):

---

6. **What** was the artifact used for? What was its purpose? Are there any traditions associated with the use of the artifact?

---

---

---

---

---

---

---

---

SOURCE(S):

---

7. **Why** is the artifact important? Is it unique or valuable?
